

By Appointment to
His Royal Highness the Prince of Wales
Motor Car Manufacturer and Repairer

ASTON MARTIN

I am delighted to confirm that Aston Martin Lagonda Ltd regards Spies Hecker as a preferred worldwide supplier of Paint Refinish materials and services to its Body Repair Programme.

Spies Hecker products have been extensively tested by Aston Martin and have consistently achieved the very high quality of painted exterior surface standards that we require.

We actively recommend and encourage Aston Martin Dealers and Approved Body Repair Centres to use materials from Spies Hecker, whilst making clear the absolute freedom of dealers and accident repairers to purchase products from whatever sources they may choose.

Materials approved to Aston Martin factory specification are now available through the distribution network of Spies Hecker.

Signed:

Position: Body Repair Programme Manager
